They say that you're a runaround lover
Though you say it isn't so
But if you put me down for another
I'll know, believe me, I'll know

CHORUS

'Cause the night has a thousand eyes
And a thousand eyes can't help but see if you are true
to me
So remember when you tell those little white lies
That the night has a thousand eyes

You say that you're at home when you phone me
And how much you really care
Though you keep telling me that you're lonely
I'll know if someone is there

CHORUS

One of these days you're gonna be sorry

'Cause your game I'm gonna play
And you'll find out without really tryin'
Each time that my kisses stray

'Cause the night has a thousand eyes
And a thousand eyes will see me too
And no matter what I do
I could never disguise all my little white lies
'Cause the night has a thousand eyes

So remember when you tell those little white lies
That the night has a thousand eyes
