Yeah
Girl you so sexy
Look at you
Yeah
Girl you so sexy

You turn me on, don't switch me off
You plug me right in and give a shock to my heart
You turn me on, don't switch me off
I love when we kiss it's an electric charge
Baby, oh oh ohhh
oh oh ohhh
Ohhh

When I think of you my battery charges up
Just the thought of you is simply not enough, girl
You keep me energized, electric in your eyes
And that explains why, you keep me so high
Don't unplug me like you did with your last guy
I'm rechargeable, as good as the first time

Don't switch me off, don't switch me off, don't switch
me off my baby
Don't switch me off, don't switch me off don't switch
me off my baby

You turn me on, don't switch me off
You plug me right in and give a shock to my heart
You turn me on, don't switch me off
I love when we kiss it's an electric charge
Baby, oh oh ohhh
oh oh ohhh
Ohhh

Might first think I'm insane but we both know I'm not
Knowing my mind's gon change 'cause girl you're
crazy hot, yeah
You keep my love on ?, no ? to ever ?
You're such a treasure boo, you're like whatever's cool
Don't want a end up, like that other dude
Just play your cards right, that's all you got a do

Don't switch me off, don't switch me off, don't switch
me off my baby
Don't switch me off, don't switch me off don't switch
me off my baby

You turn me on, don't switch me off
You plug me right in and give a shock to my heart
You turn me on, don't switch me off
I love when we kiss it's an electric charge
Baby, oh oh ohhh
oh oh ohhh
Ohhh

So sexy
So sexy
Girl so sexy for that t-shirt

Chorus
You turn me on, don't switch me off
You plug me right in and give a shock to my heart
You turn me on, don't switch me off
I love when we kiss it's an electric charge
Baby, oh oh ohhh
oh oh ohhh
Ohhh
