If I'm a fool for loving you
That's just what I want to be

They're saying I am just your clown
And any fool could see
That you're just having fun
And you're not in love with me

The words they're saying may be true
But there's something they can't see
If I'm a fool for loving you
That's just what I want to be

If I'm a dreamer, let me dream
If I'm your clown, I'll steal the show
If things are not they way they seem
Please don't ever let me know

If I am blind, it's because
I just don't want to see
If I'm a fool for loving you
That's just what I want to be

If I'm a dreamer, let me dream
If I'm your clown, I'll steal the show
If things are not they way they seem
Please don't ever let me know

If I am blind, it's because
I just don't want to see
If I'm a fool for loving you
That's just what I want to be
