Spinning around round spinning around  
The surround sound spinning around  
Round round down underground  
The surround sound spinning spinning spinning  
spinning spinning around  
Rocking the boat on the Atlantic waves  
Burning the tarmac at the JFK  
Pulling a train across the midwest plains  
Driving a limo down the carpool lane  
Weve been conquering America  
Heads are spinning around  
Weve been conquering America  
Lips are kissing the ground  
Spinning around round spinning around  
The surround sound spinning around  
Round round down underground  
The surround sound spinning around  
Land of the free I break a look mundane  
Home of the brave I take a walk on fame  
Chasing a dream inside the melting pot  
Closing the gap Im gonna shoot my shot  
Weve been conquering America  
Heads are spinning around  
Weve been conquering America  
Lips are kissing the ground

Spinning around round spinning around  
The surround sound spinning around  
Round round down underground  
The surround sound spinning around  
Lhomme avec les cigarettes et le chewing gum  
Mon ami amricain  
Lhomme avec les cigarettes et le chewing gum  
Mon ami amricain  
Spinning around  
Weve been conquering America  
Heads are spinning around  
Weve been conquering America  
Lips are kissing the ground  
Spinning around round spinning around  
The surround sound spinning around  
Round round down underground

The surround sound spinning around  
Together  
Weve been conquering America  
Heads are spinning around  
Weve been conquering America  
Lips are kissing the ground  
Spinning around round spinning around  
The surround sound spinning around  
Round round down underground  
The surround sound spinning around
