It's a crystal odyssey  
It's a crystal odyssey  
A flashlight state of art

Pumping up the beats around the clock  
Someone shot me in a state of shock  
Clubland has a sweet allure  
It's crammed inside the doors  
Walking like a cat I scratch the walls  
Talking like a sharp tongued twister  
Can't you see I need a cure  
Before I sweep the floors

It's a crystal odyssey  
Pain and pleasure rocking and reeling  
It's a crystal odyssey  
Expressway to my heart  
It's a crystal odyssey  
Scandal beauties healing and dealing  
It's a crystal odyssey  
A flashlight state of art

Do you want to dance inside my brain  
Cruising while the blood blows down the drain  
Nothing's going to break my stride  
My heart is openwide  
Dropped me like a bomb that's gone astray  
Broken like a bone right through me  
I was in a fight last night  
I fight for party rights

It's a crystal odyssey  
Pain and pleasure rocking and reeling  
It's a crystal odyssey  
Expressway to my heart  
It's a crystal odyssey  
Pain and pleasure rocking and reeling  
It's a crystal odyssey  
Expressway to my heart  
It's a crystal odyssey  
Scandal beauties healing and dealing

It's a crystal odyssey  
A flashlight state of art
