Now, now that you're gone
I see that I was blind
Now, now that you're gone
I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone
I'm alone
So many nights you would beg me to stay
So many times I would leave anyway
I had love in the palm of my hand
Why didn't I understand?
Now, now that you're gone
I see that I was blind
Now, now that you're gone
I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone
I'm alone
I should have seen all the tears that you cried

I should have been there to hold you at night
Now I know just what I should do
Now that you're gone I love you
Now, now that you're gone
I see that I was blind
Now, now that you're gone
I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone
I'm alone
Now, now that you're gone
I see that I was blind
Now, now that you're gone
I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone
I'm alone
