I can feel the earth is moving
When the clock strikes twelve it's time to go out
I can tell the club is grooving
'Cause you just walked in
You're out and about

On and on from dusk til dawn
The party's going on
I guarantee, oh

We can dance all night with the bourgeoisie
Oh, oh, lay your love on me
Take a chance on me, take the liberty
Oh, oh, lay your love on me

You'll confess it on the dance floor
You betray your heart when looking my way
I don't plan to join the peace core
But I'll drop my guns and bring the bouquet

On and on from dusk til dawn
The party's going on
I guarantee, oh

We can dance all night with the bourgeoisie
Oh, oh, lay your love on me
Take a chance on me, take the liberty
Oh, oh, lay your love on me
Lay your love
Lay your love, love on me
Lay your love
Lay your love, love on me

I can feel the earth is moving
I can tell the club is grooving
'Cause you just walked in

We can dance all night with the bourgeoisie
Oh, oh, lay your love on me
Take a chance on me, take the liberty
Oh, oh, lay your love on me

Lay your love
Lay your love, love on me
Lay your love
Lay your love, love on me

We can dance all night with the bourgeoisie
Oh, oh, lay your love on me
Take a chance on me, take the liberty
Oh, oh, lay your love on me
