Bodies Without Organs  
Ooh ooh ooh ooh ooh ooh  
Bodies Without Organs  
Ooh ooh ooh ooh ooh ooh  
Rain thunder rolls  
Pain the night is cold  
When darkness falls over lonely hearts  
If an angel calls can you help me out  
Help me out  
Cause tonight I'm riding  
Riding through the night  
Over mountains flying  
Until the end in sight  
When you feel like crying  
Don't turn out the light  
I'm by your side turning the tide  
Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh  
Stars light the sky  
Dreams I wonder why  
I can hear your voice whisper in the rain  
On my frequency when you call my name  
Call my name

Cause tonight I'm riding  
Riding through the night  
Over mountains flying  
Until the end in sight  
When you feel like crying  
Don't turn out the light  
I'm by your side turning the tide  
Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh  
Bodies Without Organs  
Ooh ooh ooh ooh ooh ooh  
Bodies Without Organs  
Ooh ooh ooh ooh ooh ooh  
Cause tonight I'm riding  
Riding through the night  
Over mountains flying  
Until the end in sight  
When you feel like crying

Don't turn out the light  
I'm by your side turning the tide  
Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh
