When I'm in Berlin you're off to London  
When I'm in New York you're due in Rome  
All those crazy nights we spend together  
As voices on the phone  
Wishing we could be more telepathic  
Tired of the nights I sleep alone  
Wishing we could redirect the traffic  
And we find ourselves a home  
Can you feel the raindrops in the desert  
Have you seen the sunrays in the dark  
Do you feel my love when I'm not present  
Standing by your side while miles apart  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain  
Even if we call the highest power  
We can only do one town a time  
Words are not enough action speaks louder  
Second time around  
Can you feel the raindrops in the desert

Have you seen the sunrays in the dark  
Do you feel my love when I'm not present  
Standing by your side while miles apart  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain  
Oh oh la la la  
Oh oh la la la  
When I'm in Berlin you're off to London  
When I'm in New York you're due in Rome  
All those crazy nights we spend together  
As voices on the phone  
Can you feel the raindrops in the desert  
Have you seen the sunrays in the dark  
Do you feel my love when I'm not present

Standing by your side while miles apart  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain  
Sunshine in the rain  
Love is still the same  
Sunshine in the rain
