Walking the night in the city
Crossing the strangest of lines
Dressed up to show nitty gritty
Trekking while reading the signs
Driving the road down my valley
Cruising the land in a park
This is the life up my alley
Cause this is my home after dark
Oooh can you hear me walking
Hear me walking the night
Walking the night walking the night
Walking the night
I said oooh can you hear me walking
Hear me walking the night
Walking the night walking the night
Walking the night
Living the life of a stranger
Crossing a dangerous zone
Warning goes out for that danger
Danger of turning a clone
Gambling to score on a street fight
High as a kite and aloof
Planting my seed under street lights
Cause passion is the root to my groove

Oooh can you hear me walking
Hear me walking the night
Walking the night walking the night
Walking the night
I said oooh can you hear me walking
Hear me walking the night
Walking the night walking the night
Walking the night
Glitzy girls walk the walk in Margiela
Strip the strip and smack bon-bon
Boys with guns customize the favelas
Splashed out in Commes des Garcons
Oooh can you hear me walking
Hear me walking the night
Walking the night walking the night
Walking the night
Can you hear me walk hear me walk

Hear me walk the night
Can you hear me walk hear me walk
Hear me walk the night
Can you hear me walk hear me walk
Hear me walk the night
Can you hear me walk hear me walk
Hear me walk the night
