When will I  
will I be famous?

Be famous

You're a slave to fashion and your life is full of passion

It's the way you are!  
You've suffered for your art with the jogging in the park

You know you should go far!  
But you keep asking the question  
you're not supposed to mention

When will I  
will I be famous?

Be famous  
Be famous

When will I  
When will I

will I be famous?

When will I  
will I be famous?

When will I  
will I be famous?  
I can't answer  
I can't answer that.  
When will I see my picture in the paper?  
I can't answer  
I can't answer that

When will I  
will I be famous?

Be famous

Be famous
