"What Planet You On?"

Visit "[What Planet You On?](#)" on MotoLyrics.com

If you don't wanna be my best friend, then why am I still
in your bed?

If you can't stand the way I talk, why am I still here?

If we can't work it out, then how 'bout gettin' your stuff
and movin' out?

If we can't be lovers again

If I don't give you anything, why are you still hanging
on?

Why are you still hanging on? Why are you still hanging
on?

If you can't see I'm everything,

I'm everything you'll ever need, you must be out of
your head.

I don't know what planet you're on,
but I wanna be on it with you, don't know where you get
off.

I don't know what planet you're on,
but I wanna be on it with you, I wanna be on it with you.

If you don't wanna be my best friend, then why am I still
in your bed?

If you can't stand the way I talk, then why am I still
here?

If we can't work it out, then how 'bout gettin' your stuff
and movin' out?

If we can't be lovers again

I don't know what planet you're on,
but I wanna be on it with you, don't know where you get
off.

I don't know what planet you're on,
but I wanna be on it with you, I wanna be on it with you.

(Now I'm askin', oi, oi, oi, boy)

Why didn't you call me?

(Now I'm askin', oi, oi, oi, boy)

Why didn't you call me?

I wanna be on it with you x14

Unexploded, I'm burning through your stratosphere.
Here I come, I'm flying on a rocket ship.
Lets make contact, yeah coz wanna be on it with you,
I wanna be on it with you.

I don't know what planet you're on,
but I wanna be on it with you, don't know where you get
off.
I don't know what planet you're on,
but I wanna be on it with you, I wanna be on it with you.

Unexploded, I'm burning through your stratosphere.
Here I come, I'm flying on a rocket ship.
Lets make contact, yeah coz wanna be on it with you,
I wanna be on it with you.
