[Machine:] Welcome! I am your computer!

[Easy listener:] Initiating.

Scanning quadrant no. 9000065b.

Scanning... Scanning... One hit!

[Man:] I want to be king instead of the king.

[Speaker no1:] We can not allow the natural
Passions to lead this nation to destrucion.

[Machine:] We understand you want to be king
Instead of the king. We did a brain scan on you sir.

[Man:] I want to be king instead of the king.

[Machine:] That pretty much settles it for you, sir.
