*girlye girlye you're the one i want
i want you in the kitchen
and i want you when i wash
girlye girlye you're the one i need
goody good girls are good for me

cleaning makes no meaning when you look upon the
cieling
instead i like to be in bed and sleep until the evening
i have to find a girl who understands the way i feel
you're the one for me

*girlye girlye..

**oh you're so sweet-girlye girlye
baking cookies for me-girlye girlye
oh you're so fine-girlye girlye
goody good girls are good for me.

i've tried to flirt with dirty shirt although my sox are
filthy
i have tried to find a girl real fast and i hope she's
under thirty
cooking cleaning do the dishes i will make you see
you're the one for me

*girlye girlye ..

**oh you're so..
