I'm in the club
All fucked up
(I had too much to drink)
I came to party
I look around to see what's going down
(yeahhh)
I see your face among the crowd
The way you shakin' that body
You're beautiful, you're magical
I had to let you know

(Chorus)
So I walk over just to say hello
(but I can't walk straight
I'm too drunk)
Hoping I might be the lucky one
(Let's go on home into the night yeahh)
If I sound kinda dumb
It's because I'm really drunk
Can I get 'chyo numba?
Can I get 'chyo name?
Take a pen, write it down
Please don't feel ashamed
Can I get 'chyo numba?
Can I get 'chyo name?

Punjabi stuff
Bal hari java
Bal hari java
Tenu dekh hi java kudiye
Tera roop roop
Tera ang ang teri dard javani re
Chadta nasha menu teri yaad ava
Jee kara tenu pee java
Goriya goriya

(Chorus)
So I walk over just to say hello
(paji bahut pi liya tune
Chale ni haya)
Hoping I might be the lucky one

(oye paji kudi meri he oye hoye)
If I sound kinda dumb
It's because I'm really drunk
Can I get 'cho numba?
