Teri To, Teri Ta, Hamesha Yaad Satave (It's my
addiction to you, that troubles me)
I dont know what your saying but all I know is that I
came to party!

Teri To, Teri Ta, Hamesha Yaad Satave (It's my
addiction to you, that troubles me)
I dont know what your saying but all I know is that I
came to party!

Verse 1:

There's a party goin' on and they're playin' your
favourite song
So girl get your ass on the floor
I don't wanna hear no more, I don't want no excuse
You got rhythm, so put it to use, hey!
And if you really want to get down, take my hand and
let me spin you around!
Round we go, round we go
