I got a girl but she's not enough,
So i have to cheat i got 2 much love
And i'll give it to you if you want me 2,
But dont get carried away cause you are just a
substitute

So if it's cool that you're my substitute i'll call you up
from time to time when you're on my mind,
And if its A-okay, that you're my substitute,
I'll drain you sexually and then I'll send you on your
way

I want you 2 know that you're my substitute
I have your number in my little black book
And i'll give you a call if my girls not home
And you can stop by so that we can bone

Tere sadke ni kudiye [i would go far for you]
Kudiye ni kudiye ni tu gal sun ja
[girl oh girl listen to these words before you go]

Tera waqt beet gaya pare hatt ja
[your time's up so please step aside]
Teri jagah aine lay laiye, wekh la tu
[you see this girl has taken your place now]
You got to know that you're my substitute yeah

So if it's cool that you're my substitute...

I want you 2 know that you're my substitute
I want you 2 know that you're my substitute
I need you 2 know that you're my substitute

Kudiye ni kudiye ni, kudiye ni kudiye ni
Tera waqt beet gaya, gal meri sun laye ni
[girl oh girl, girl oh girl. listen to my words, your time is
up]

I want you 2 know that you're my substitute
I need you 2 know that you're my substitute
