Hawa mein udata jaaye tera lal dupatta mal mal ka(2
time)
Dil pe waar chalayе (tera lal dupatta mal mal ka)oh oh
Alaap...

Only wish I ever wished
Is if that I could make her mine
Oh that would be so fine
All I do is just think of her
"she is always on my mind"(2)
Somebody go and tell her
She wont find any better lover
Every beat of my heart will rock her ohye ohye

Hawa mein udati jaaye my beautiful my sexy baby
She has got the looks that drive me crazy ohye ohye
Dil mein utarti jaaye
She is one great god's creation

She is my one mind destination ohye ohye

Here she is standing next to me
But I am stranger to her eyes
I'm a just another guy

Stay back baby never leave
Don't ever say goodbye,
Please stay here or I will die.
Don't care how much u shout
You are a rock that never roll
Cause I ain't given up you better know ohye

Hawa mein udati jaaye my beautiful my sexy baby
She has got the looks that drive me crazy ohye ohye
Dil mein utarti jaaye
She is one great god's creation
She is my one mind destination ohye ohye
