Zara nazron se keh do ji nishaana chook na jaye  
Zara nazron se keh do ji  
Maza jab hai tumhari har ada qaatil hi kehlaye  
Zara nazron se keh do ji

Qaatil tumhe pukarun ke jaan-e-vafa kahun  
Hairat mein pad gaya hoon ke maein tum ko kya kahun  
Zamaana hai tumhaara  
Zamaana hai tumhaara chaahe jiski zindagi le lo  
Agar mera kaha maano to aise khel na khelo  
Tumhaari is sharaarat se na jaane kis ki maut aaye  
Zara nazron se keh do ji

Haye, kitni maasoom lag rahi ho tum  
Tumko zaalim kahe vo jhootha hai

Ye bholaapan tumhaara  
Ye bholaapan tumhaara ye sharaarat aur ye shokhi  
Zarurat kya tumhen talwaar ki teeron ki khanjar ki  
Nazar bhar ke jise tum dekh lo vo khud hi mar jaye  
Zara nazron se keh do ji

Hum pe kyun is qadar bigadti ho  
Chhedhne vaale tumko aur bhi hain  
Bahaaron par karo gussa ulajhti hain jo aankhon se  
Havaaon par karo gussa jo takraati hain zulfon se  
Kahin aisa na ho koi tumhaara dil bhi le jaye  
Zara nazron se keh do ji
