Throw in!  
Got mine for the party line.  
It seems that everything we do is part of a grander  
scheme.  
We're still killing parents.  
Did you hear about the beatdown on the streets of old  
town?  
Some of that was true.  
But I swear we're learning more.  
We're gonna fire when ready.  
I got shovels and right hands, I got guts and I got fuel.  
Break ground, push down, dig deep and throw.  
Split wood, lift hood inhale and hold.  
I got lamps and I got spikes, I recite just what I'm told.  
Break ground, push down, dig deep and throw.  
Split wood, lift hood, inhale and hold.  
Bomb set. Who's coming out?  
Nobody steps on a beerhall in my town.
