Aint no cure for love
Aint no cure for love
There aint no cure for love
Aint no cure
Cupid was a blind man
He must have missed his mark
Shot an arrow in the air and hit me in the heart
I went to see Saint Valentine
Said Whats come over me?
Daddy must have missed the chapter about the birds
and bees
You can be the King of diamonds
You can cash in all your gold
You could hire Johnnie Cochran
Its too late to save your soul
Dont need no shot, no ambulance
Dont need prescription drugs
There aint no cure for love
They can find the cure for the common cold
When the pushing comes to shove
There aint no cure for love
Now someone call my lawyer
Im going to see my shrink
I found myself in the jewelry store buying a diamond
ring
I went to see my doctor
Said Wont you help me please?
He said Son Im sorry, its a terminal disease
Cant get no love insurance
Cupid draws his bow
I aint waving boys, Im drowning
Its a damn good way to go
Dont need no shot, no ambulance
Dont need prescription drugs
There aint no cure for love
They can find the cure for the common cold
When the pushing comes to shove
There aint no cure for love
You can be the King of Diamonds
You can cash in all your gold
You can hire Johnnie Cochran
Its too late to save your soul

Dont need no shot, no ambulance
Dont need prescription drugs
There aint no cure for love
They can find the cure for the common cold
When the pushing comes to shove
There aint no cure for love
No aspirin
No ambulance
Or Voodoo you can think up
Aint no cure for love
Aint no cure for love
Aint no cure for love
Aint no cure for love
There aint no cure for love
Aint no cure for love
Aint no cure for love
