"Love, Love, Love, Love,  
Love, Love, Love, Love, Love

Love, lives in New York City  
HE got a place off of the Park  
BUT he was standing in the ruins  
And in his hands a broken heart

He called an army of his angels  
I heard they had to hide their wings  
It was them who brought you water  
IF YOU listen closely I know you can hear  
the choir sing

Hey hallelujah baby (Rise Up)  
Hold out your hands and reach OUT (Higher)  
Get up on your feet (Rise Up)  
Let it flow through you baby  
Running trough your veins  
LIKE A HEALING RAIN  
Everywhere you see  
Another Reason to Believe

South OF CANAL STREET  
Right there in a mothers eyes  
At a table in a restaurant window  
In a taxi passing by

I saw Love GO running up that stairwell AND  
The sky came falling down  
It was him and a new born baby's cry  
He was there to make that sound  
and keeps THIS whole world spinning round

Say hallelujah baby (Rise Up)

Hold out your hands and REACH OUT(Higher)  
Get up on your feet (Rise Up)  
Let it flow through you Baby  
Running through your veins  
Like a healing rain  
Everywhere you see

Say hallelujah baby

GUITAR SOLO

IT'S Different than it was before  
Now we need it even more  
Fire falling from the sky  
Innocence just said goodbye

It may never be the same  
Maybe it was time to change  
Time to breathe  
Time to cry  
Time to live  
Time To FLY

SING hallelujah baby (Rise Up)  
Hold out your hands and reach out (Higher)  
Get up on your feet (Rise Up)  
Let it flow through you baby  
Running trough your veins  
Like a healing rain (Higher)  
(RISE UP)  
Hold out your hands and REACH OUT(Higher)  
Get up on your feet (RISE UP)

YouÂ´ve got a reason to believe (RISE UP)  
Another Reason To Believe (Higher)  
YouÂ´ve got a reason to believe (RISE UP)  
JUST A REASON TO BELIEVE!"
