J. bon jovi

Hey patty garrett thats what I used to call you  
They tell me you want me but I hear theyve got you  
They made you a lawman with a badge made of silver  
They paid you some money to sell them my soul

But you say this aint about me, this aint about you  
Or the good and the bad times weve both been through  
When the lines between brothers and justice have  
changed  
You do what youve got to cause you cant walk away

I wonder what would have happened  
If you were the killer  
And I was the hero  
Would things be the same  
Or would I have traded  
Your life for my own life  
Would I have paid  
Your debts in your place

But this aint about me, this aint about you  
Or the good and the bad times weve both been through  
When the lines between brothers and justice have  
changed  
You do what youve got to cause you cant walk away

Blood money  
Thats what I call it  
cause money for blood aint no fair exchange  
Blood money  
Bought and then sold you  
But your conscience is all you can take to your grave
