Breakout

This time girl I've had enough  
You're too hot to handle with kid gloves  
It's too late, I hear a knock on the door  
The games over baby, I can't take it no more

Breakout, breakout  
Take these chains from me  
You held my heart for ransom  
Baby, set it free  
Breakout, breakout  
Your lies can't hide what I see  
I'm better off on my own

Promises made me in the heat of the night  
Those words were broken under bedroom lights  
Your lips they burn, your body calls my name  
I can feel the fire but it's all in vain

Breakout, breakout  
Take these chains from me  
You held my heart for ransom  
Baby, set it free  
Breakout, breakout  
Your lies can't hide what I see  
I'm better off on my own

Breakout, breakout  
Take these chains from me  
You held my heart for ransom  
Baby, set it free  
Breakout, breakout  
Your lies can't hide what I see  
I'm better off on my own

You say, "We'll meet around midnight  
You're gonna make me feel alright"  
I'm sayin', "No, no not tonight  
You gotta let me go"

Breakout, breakout

Take these chains from me  
You held my heart for ransom  
Baby, set it free  
Breakout, breakout  
Your lies can't hide what I see  
I'm better off on my own

Breakout, breakout  
Take these chains from me  
You held my heart for ransom  
Baby, set it free  
Breakout, breakout  
Your lies can't hide what I see  
I'm better off on my own

You say, "We'll meet around midnight  
You'll make me feel oh so right"  
Oh better, better but not tonight  
You gotta let me go  
Breakout, breakout  
Breakout, breakout  
Breakout, breakout
