Now that you're gone, I can see what
Was going on and how you lied
When you'd said you'd never love again

Friends telephone and they say
You weren't out alone last night
Can't you see that this broken heart is killing me

Another night is falling
And now my heart is calling you back to me

Come back, 'cause I need your love
Come back, got to have your love
Come back, bring your loving back to me

Come back 'cause it's been so long
Come back, and I can't go on
Come back, bring your loving back to me

You play with words, play with love
It's just your silly way
I'm a fool for I need you by my side again

Now it's too late you walk by
With another man and I stand alone
'Cause I know that you're not coming home

Another night is falling
And now my heart is calling you back to me

Come back 'cause I need your love
Come back, got to have your love
Come back, bring your loving back to me

Come back 'cause it's been so long
Come back, and I can't go on
Come back, bring your loving back to me
Back to me

Another night is falling
And now my heart is calling you back to me

Come back 'cause I need your love
Come back, got to have your love
Come back, bring your loving back to me

Come back 'cause it's been so long
Come back, and my love's still strong
Come back, bring your loving back to me

Come back 'cause I need your love
Come back, got to have your love
Come back, bring your loving back to me

Come back 'cause it's been so long
Come back, and I can't go on
Come back, bring your loving back to me
Back to me, back to me, back to me
Come back.
