Diamond ring wear it on your hand
It's gonna tell the world I'm your only man
Diamond ring, diamond ring
Baby you're my everything diamond ring

Red red rose brought it home to you
Blood red rose tells me that you're true
Red red rose, blood red rose
Like a fire inside that grows blood-red rose

When you're hungry I will fill you up
When you're thirsty drink out of my loving cup
When you're crying I'll be the tears for you
There's nothing that I wouldn't do for you
Mmm ooh

When you're hungry I will fill you up
When you're thirsty drink out of my loving cup
When you're crying I'll be the tears for you
There's nothing that I wouldn't do for you
No

You know I bleed every night you sleep
'Cause I don't know if I'm in your dreams
I want to be your everything

Diamond ring wear it on your hand
It's gonna tell the world I'm your only man
Diamond ring diamond ring
Baby you're my everything diamond ring
Darling you're my everything diamond ring
Now you've got me on your string diamond ring
