And there I stood just like a soldier,
I was tough until I saw her.
I said "hello" but she just turned away.
"Hey Romeo, watcha doin with my girl,
Who are you using now?"
I turned and walked away.
I'm the one who needs her
Now you can believe it.
I'll be there to catch her when she falls.

Oooh, here I am
On the edge of a broken heart
I'm a man
On the edge of a broken heart
Here we stand
On the edge of a broken heart

So run if you can cause you know
I'm a man on the edge
On the edge of a broken heart
I'm on the edge
On the edge of a broken heart

I'm on the outside looking inside,
You're with him, who's on the wrong side now?
Do you still think of me?
I tried to call, but no one answers,
Two silhouets, or private dancer
Lights go dim as the music starts to fade away.
Turned and walked away

I'm the one who needs you
Now you can believe it.
I'll be there to catch you when you fall.
You better believe I'm a man
On the edge of a broken heart
Here I am
On the edge of a broken heart
And we stand
On the edge of a broken heart
So what if you can't cause you know

I'm a man on the edge
On the edge of a broken heart
I'm on the edge
On the edge of a broken heart

And when I hold out my hands,
I'll be reaching for you.
I'll give it all that I've got,
That's all I can do.
When you're waiting for love,
I'll be waiting for you.

On the edge of a broken heart
Waiting for you
On the edge of a broken heart
Waiting for you
On the edge of a broken heart
So what if you can't cause you know
I'm a man on the edge
On the edge of a broken heart...
