Everyday

I used to be the kind of guy  
Never let you look inside  
I'd smile when I was crying

I nothing but a lot to lose  
Finally had a lot to prove  
In my life there's no denying

Goodbye to all my yesterdays,  
Goodbye so long I'm on my way

I had enough of crying  
Breathing, sweating, dying  
Believe me when I say  
Gonna live my life everyday

I'm gonna touch the sky  
I spread these wings & fly  
I ain't here to fade  
Gonna live my life everyday

Change everybody's feeling strange  
Never gonna be the same  
Makes you wonder how the world keeps turning

Life learning how to live my life  
Learning how to pick my fights  
Take my shots while I'm still burning

Goodbye to all those rainy nights  
Goodbye so long I'm moving on

I had enough of crying  
Breathing, sweating, dying  
Believe me when I say  
Gonna live my life everyday

I'm gonna touch the sky  
I spread these wings & fly  
I ain't here to play

Gonna live my life everyday

Dance take the wheel  
I just made myself a deal  
There ain't nothing gonna get in my way  
(everyday) Everyday

\*\*\*Solo\*\*\*

Goodbye so long I'm moving on  
I had enough of crying  
Breathing, sweating, dying  
Believe me when I say  
Gonna live my life everyday

I gonna touch the sky  
I Spread these wings & fly  
I ain't here to play gonna live my life everyday  
I, oh I, oh I, I'm gonna live my life everyday
