As her heart rate beats down in the night
It sounds like a ploy
Still I can't hear a sound but the beat of my heart

I can't pick up that phone any more
But I need to confess
If I don't say I love you, everything else is a waste of
my breath

Every beat of my heart I would give
Every beat of my heart just to live
I live for your love, you're all that I want
To die in your arms
I'd give you every beat of my heart

As I whisper your name
I wish you were here by my side
But the only way that I find you
Is when I close my eyes

With my ring on your finger
I hope and I pray
That you know deep in your soul
With every step that you take

Every beat of my heart I would give
Every beat of my heart just to live
I live for your love, you're all that I want
To die in your arms

I'd give you every beat of my heart

And it's the little things that you do
That make me want you more
It's the way your hands are trembling
And what they're trembling for
It's the way a smile fits on your lips
The way you hold me tight
God knows I'd give everything
To be in your arms tonight

I live for your love

You're all that I want
To die in your arms
I'd give every beat of my heart

Just to give
Every beat of my heart just to live
I live for your love, you're all that I want
To die in your arms
I'd give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
