A little white picket fence around your heart  
It's everything you wanted, now it's tearing you  
apart  
You're gonna raise a family now but you don't know  
where to start  
I remember you

Me, I pack a suitcase and move from town to town  
A little east of Eden, too late to turn around  
Marionettes on wires, we dance out of control  
I remember you

Are you crying in your sleep tonight  
When you're lying with him do you turn out the light  
Are you hiding in your dreams tonight  
In your world I will be the ghost in your heart

settle down  
Then I was the wild one with both feet off the ground  
I could never understand you but I loved you anyhow  
I remember now

When you're lying with him do you turn out the light  
Are you hiding in your dreams tonight  
In your world I will be the ghost in your heart

Stare at your reflection and sometimes see my face  
I remember you, you remember too

Are you crying in your sleep tonight  
When you're lying with him do you turn out the light  
Are you hiding in your dreams tonight  
In your world

Are you crying in your sleep tonight

Are you lying with him, thinking Â'bout me tonight  
Are you hiding in your dreams tonight  
In your world I will be the ghost in your heart  
The ghost in your heart, in your heart, in your heart  
Ghost in your
