It's amazing
We go through changes
When times get crazy
It's up and down, it's hot and cold
These complications
Just keep on coming
These ain't no running
When it comes to life that's how it goes
'round and round we go
Sometimes it feels like
We're on a roller coaster ride
Baby don't you know
It could eat up
If you try and keep it all inside
Seems like hard times come easy
We do a lot of hangin' on these days
But the heart finds a reason
And love always seems to find a way
Even if it hurts
Even if it hurts us baby
There's gonna be thunder
There's gonna be rain
There's gonna be those times
We both get caught up in the pain
The realization
Keeps sinkin' in
The way you make it

Is learn to take it on the chin
'round and round we go
It's just another day
With trouble knockin' at your door
Baby don't you know
We can work it out
'cause we always seem to find a cure
Seems like hard times come easy
We do a lot of hangin' on these days
But the heart finds a reason
And love always seems to find a way
Even if it hurts

Even if it hurts us baby

'round and round we go
Sometimes it feels like
We're on a roller coaster ride
Baby don't you know
We'll keep holdin' on
Through the changes that we feel inside
Seems like hard times come easy
We do a lot of hangin' on these days
But the heart finds a reason
And love always seems to find a way
Hard times come easy babe
