It's been a cold, cold, cold, cold night tonight
And I can't get you off of my mind
God knows I've tried
Did I throw away the best part of my life
When I cut you off
Did I cut myself with the same damn knife
Hide my tears in the pouring rain
Had my share of hurt and pain
Don't say my name, run away, 'cause it's all in vain

My hearts breaking even, now there's no use we even
try
Hey I cried, yeah I lied, hell I almost died
Don't got a reason
Let's just fold the cards and say good-bye
It's all right, just two hearts breaking even tonight

It's been a long, long, long, long time
Since I've had your love here in my hands
We didn't understand it, we couldn't understand it
But, nothing's fair in love and hate
You lay it all down and walk away, before it's too late
We danced all night as the music played
The sheets got tangled in the mess we made

There in the stains, we remain
No one left to blame

My hearts breaking even, now there's no use we even
try
Hey I cried, yeah I lied, hell I almost died
Don't got a reason
Let's just fold the cards and say good-bye
It's all right, just two hearts breaking even tonight

Guitar solo

Go on, get on with your life
Yeah - I'll get on with mine
Broken hearts can't call the cops
Yeah - it's a perfect crime
Twisting and turning the night keeps me yearning

I'm burning alive
I'm paying the price again
But I'll see the light again

My hearts breaking even, now there's no use we even
try
Hey I cried, yeah I lied, hell I almost died
Don't got a reason
Let's just fold the cards and say good-bye
It's all right, just two hearts breaking even tonight
yeah, yeah
