(It's My Life single B-Side)

She says 'baby'  
I love it when she calls me 'baby'  
She says it's four a.m.  
Why don't you grab your shoes, come on over, and  
then - 'maybe'  
She drives me crazy  
You know she knows she drives me crazy  
When she says let's pretend this beer is Champagne  
And we'll bathe out in the pouring rain  
And I'll let you drive me crazy

She don't talk about love  
We don't talk about us  
What we don't say with words we say when we touch -  
HUSH  
Come wrap your arms around me - HUSH  
We don't have to talk tonight so - HUSH  
What we've got's more than a crush  
We write the book each time we touch - HUSH  
Honey - HUSH

I said nothing  
Sometimes so little said is something  
There's ten things I could have said that fit  
But we don't waste time on that shit  
Somehow we rise above it

She don't talk about love  
We don't talk too much  
What we don't say with words we say when we touch -  
HUSH  
Come wrap your arms around me - HUSH  
I don't want to talk tonight now - HUSH  
What we've got's more than a crush  
We don't have to say too much  
We write the book each time we touch - HUSH

We don't gotta talk about junk  
We don't gotta talk about us  
We don't want to give away too much - HUSH

Come wrap your arms around me - HUSH  
I don't want to talk tonight now - HUSH  
What we've got's more than a crush  
We write the book each time we touch - HUSH

Honey - HUSH  
Honey - HUSH
