All I know is what I've been sold
You read my life like a fortune told
I've seen the dream, there ain't no land of Oz
But I got my brain, yeah, I got a heart

And courage built and I won't let go
What we need right now is soul

I can't do this, you can't do that
They feed us lines but I won't act
And all good things will come to pass
But the truth is all you have to have

And would you lie for it?
Cry for it, die for it
Would you?

I believe, I believe
With every breath that I breathe
You and me can turn a whisper to a scream
I believe, I believe

You gave it all when you gave more
You do know what you came here for
You'll pay the cost like it's your cross to bear
Are we the ones who put it there

And would you scheme for it?
Scream for it, bleed for it
Would you?

I believe, I believe
Believe we're still worth the fight
You'll see there's hope for this world tonight
I believe, I believe, yeah

Don't look up to your movie screens
Your record stores or magazines
Close your eyes and you will see
That you are all you really need

I believe, I believe

With every breath that I breathe
You and me can turn a whisper to a scream
I believe, I believe
I believe, I believe

People, yeah
Woah, woah, yeah, yeah
Yeah, yeah, I believe
Well, I believe
I believe, yeah yeah yeah
