If there's something that needs fixing
I'm the man to see
Look me up, I'm listed
Just check under "B"
If you're ever on the spot
Well, I'm good with my hands
24-7 I'm your handyman

Odd jobs, hard jobs
Anything under the sun
Big jobs, small jobs, baby

Chorus:

I'd be a rich man, it's true
If I could make a living out of loving you
These two hands know what to do
If I could make a living out of loving you
I could make a living out of loving you

Until the work is finished
Well, I don't get paid
I don't mind getting dirty
That's my middle name
I'm in the service business
So I understand
Call me 24-7, I'm your handyman

Odd jobs, hard jobs
Anything under the sun
Big jobs, small jobs, baby

Chorus

Solo

Though jobs, rough jobs
Say where and when
I'll leave you my card
Call when you need me again
Odd jobs, hard jobs, baby

Chorus:

I'd be a rich man, it's true

If I could make a living out of loving you

These two hands know what to do

If I could make a living out of loving you

I'd be a rich man, it's true

I could make a living out of loving you

I'd be a rich man I could make a living out of loving' you
