I have run from the truth  
Since the days of my misspent youth  
I was hungry for kindness  
I was lost in life's blindness  
When you're born without wings  
All you dream of all you want  
Is that feeling of flying  
Of rising and climbing

Halle Halle  
We're one breath away  
Halle Halle  
From our judgement day

You leave it all on the table  
If you lose or you win  
You've got to learn to love  
The world you're living in

Always thought I'd die young  
In these hands I've held the gun  
But it's too late for dying  
Now there's nothing worth hiding  
I've lost love lived with shame  
I was humbled by my fall from grace  
On the steps of decision  
It's revenge or forgiveness

Halle Halle  
We're one breath away  
Halle Halle  
From our judgement day

You leave it all on the table  
If you lose or you win  
You got to learn to love  
The world you're living in

Halle Halle  
Halle Halle

Halle Halle

We're one breath away  
Halle Halle  
From our judgement day  
You leave it all on the table  
If you lose or you win  
You got to learn to love  
The world you're living in

Halle Halle  
And that's how it is  
You've got to learn to love  
The world you're living in

Halle Halle
