Rumor has it that your daddy's comin' down He's gonna pay the rent Tell me baby, is this as good as life is gonna get It feels like there's a stranger who's standin' in these shoes But, I know I can't lose me, 'cause then I'd be losin' you Yea, yea, yea

I know I promised baby
I would be the one to make our dreams come true
I ain't too proud of all the struggles
And the hard times we've been through
When this cold world comes between us
Please tell me you'll be brave
'Cause I can realize the danger when forgiveness
fades away

If you don't love me, lie to me
'Cause baby you're the one thing I believe
Let it all fall down around us, if that's what's meant to
be
Right now if you don't love me baby, lie to me
Yea, yea, yea
Yea, yea, yea

Pour another cup of coffee
Babe I got something to say to you
I ain't got the winning ticket
Not the one that's gonna pull us through
I don't wanna die no more
No one said that it'd be easy
Let your old man take you home
But know that if you walk out on me that darlin'
I'd be gone

If you don't love me, lie to me
'Cause baby you're the one thing I believe
Let it all fall down around us
If that's what's meant to be
Right now if you can't love me baby, lie to me
Baby, I can take it

It's a bitch, life's a roller coaster ride
The ups and downs will make you scream sometime
It's hard believin' that the thrill is gone
But we got to go around again, so let's hold on

If you don't love me, lie to me
'Cause baby you're the one thing I believe
Let it all fall down around us
If that's what's meant to be
Right now if you can't love me baby
Go on lie to me

Go on lie to me Yea, yea, yea, yea Baby, I can take it Yea, yea, yea, yea C'mon lie to me Yea, yea, yea, yea
