I don't give a damn
How it's supposed to be
That might work for you
It don't work for me

You write your truth
And Iâ€™ll write mine
One man's ceilings
Another man's sky high

Flying like an aeroplane
Cry like the lonely whistle of a long black train
Dance in the pouring rain
Spit in the eye of a hurricane
Who said life has got to be so cruel
Love's the only rule

It's written in the stars
Where I fit in
It's going to hurt sometimes
You got to lose to win

You've got your sins
And I got mine
Sell your secrets kiss them all goodbye

Flying like an aeroplane
Alive like a lonely note from John Coltrane

Run like it's a getaway
Say those things that you shouldn't say
Think about it wouldn't that be cool?
If love's the only rule

Might be a wrecking ball
Or just a wake up call
Don't matter where the pieces fall

Ooooooh, Ooooooh, Ooooooh

I'm gonna fly like an aeroplane
Cry like the whistle of a long black train

Dance in the pouring rain
I'm alive like a lonely note from John Coltrane
Run like it's a getaway
Say those things that you shouldn't say

Where love, love's the only rule
Yes love, love's the only rule
Ah love, love's the only rule
Love, only rule
Love's the only rule

Ooooooh, Ooooooh , Ooooooh
