J. bon jovi

A penny for your thoughts now baby
Looks like the weight of the worlds
On your shoulders now

I know you think youre going crazy
Just when it seems everythings
Gonna work itself out
They drive you right back down

And you said it aint fair
That a man walks
When a bird can fly
We have to kick the ground
The stars kiss the sky
They say that spirits live
A man has to die
They promised us truth
Now theyre giving us lies

Gonna take a miracle top save us this time
And your savior has just left town
Gonna need a miracle
cause its all on the line
And I wont let you down
(no I wont let you down)
The river of your hope is flooding
And I know the dam is busted
If you need me Ill come running
I wont let you down... no, no

Youre looking for salvation
You thought that itd be shining
Like an angels light
Well, the angels left this nation
And salvation caught the last train
Out tonight
He lost one hell of a fight

He said
Im just one man, thats all Ill ever be

I never can be everything you wanted from me
I've got plans so big
That any blind man could see
I'm standing in the river
Now I'm drowning in the sea

Gonna take a miracle top save us this time
And your savior has just left town
Gonna need a miracle
cause your hearts on the line
And your heartbeat is slowing down
Your feet are grounded still
You're reaching for the sky
You can let 'em clip your wings
cause I believe that you can fly

Solo

Well my eyes have seen the horror
Of the coming of the flood
I've driven deep the thorny crown
Into the soul of someones son
Still I'll look you in the eye
cause I've believed in things I've thought
And I'll die without regret
For the wars I have fought

Gonna take a miracle top save you this time
And your savior has just left town
Gonna need a miracle
cause your hearts doing time
And your conscience is calling you out
It aint all for nothing
Life aint written in the sand
I know the tide is coming
But its time we made a stand
With a miracle
