Time, ain't nothin' but time
It's a verse with no rhyme
When it all comes down to you

And change, ain't nothin' but change
Just the faces and names
But you know we're gonna make it through

I'll believe
When you don't believe
In anything

I'm gonna to hold ya, till your hurt is gone
Be the shoulder, that your leanin' on
I'll be standin' here
For the next one hundred years
If it all should end tonight
I'll know, it was worth the fight
We'll be standin' here
For the next one hundred years

I, when I think that I'm
Losin' my mind
It all comes back to you

And you, you know that it's true
After all we've been through
There's nothin' that I wouldn't do

Stand by me
An' I would gladly give
Up everything

I'm gonna to hold ya, till your hurt is gone
Be the shoulder, that your leanin' on
I'll be standin' here
For the next one hundred years
If it all should end tonight
I'll know, it was worth the fight
We'll be standin' here
For the next one hundred years

Hmm, I'm gonna hold, till your hurt is gone
Be the shoulder, that your leanin' on
I'll be standin' here
For the next one hundred years
If it all should end tonight
I'll know, it was worth the fight
We'll be standin' here
For the next one hundred years
