When I look into your eyes I can see a love restrained
But darling when I hold you, don't you know I feel the
same
Cos nothing lasts forever and we both know hearts can
change
And it's hard to hold a candle in the cold November
rain

We've been through this such a long, long time
Just trying to kill the pain, ooh yeah
But lovers always come and lovers always go
And no one's really sure who's letting go today,
walking away

If we could take the time to lay it on the line
I could rest my head just knowing that you were mine,
all mine
So if you want to love me then darling don't refrain
Or I'll just end up walking in the cold November rain

Do you need some time on your own
Do you need some time all alone
Ooh everybody needs some time on their own
Ooh don't you know you need some time all alone

I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal a broken heart
Wouldn't time be out to charm you, oh

Sometimes I need some time on my own
Sometimes I need some time all alone
Oh everybody needs some time on their own
Ooh don't you know you need some time all alone

And when your fears subside and shadows still remain,
oh yeah
I know that you can love me when there's no one left to
blame
So never mind the darkness, we still can find a way
Cos nothing lasts forever, even cold November rain

Don't you think that you need somebody
Don't you think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one
Don't you think that you need somebody
Don't you think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one
Don't you think that you need somebody
Don't you think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one
Don't you think that you need somebody
Don't you think that you need someone
Everybody needs somebody
