You can take back all your secrets, we'll divide up all
the lies
Keep all the pictures in their frames, cut me out, yeah
I'll be fine
Tell the neighbors all my feelings, go on and give away
my pride
It's hard to laugh and cry, live and die every night

Keep your Rolodex of friends and all the remnants can
be mine
I guess, there'll be no happy endings when 'Once upon'
is doing time
There's a different kind of meaning now to livin' on a
prayer
Oh some don't seem to notice and the rest don't seem
to care

I tell myself I
(Feel no pain)
But I'm feeling the pain
(Walk away)
Can't walk away

I'm hanging on the ropes of hope
It's getting hard to cope you know
When you're the needle running through my veins
I've changed my name to Novocaine

You put my favorite belongings in a box in the garage
(Let's get this straight)
Burned my favorite sweats from high school, tried to
sell my muscle car
(That's not okay)

Your mother's gonna visit for a couple of months this
year
They say you do the crime, do the time, it's all so clear

I tell myself I
(Feel no pain)
But I'm feeling the pain
(Walk away)

Can't walk away

I'm hanging on the ropes of hope
It's getting hard to cope you know
When you're the needle that's running through my
veins
I've changed my name to Novocaine, Novocaine
(Feel no pain)

Well things ain't what they used to be
It's a sleepless, self-help century
Man, I'm up to here with Dr. Phil and the modern man in
me

I tell myself to feel no pain
But I'm feeling the pain
(Walk away)
Can't walk away

I'm hanging on the ropes of hope
It's getting hard to cope you know
When you're the needle that's running through my
veins
I've changed my name to Novocaine
(Feel no pain)

Novocaine, Novocaine
(Feel no pain)
Novocaine, I feel no pain
