They say that no man is an island  
and good things come to those who wait  
but the things I hear are there just to remind me  
every dog will have his day

The spirits they intoxicate me  
I watched them infiltrate my soul  
they try to say it's too late for me  
tell my guns I'm coming home

I swear I'm gonna live forever  
tell my maker he can wait,  
I'm riding somewhere south of heaven  
heading back to Santa F  
it's judgement day in Santa F

Once I was promised absolution  
there's only one solution for my sins  
you got to face your ghosts and know with no illusions

that only one of you is going home again

And I blame this world for making  
a good man evil  
it's this world that can drive a  
good man mad  
and it's this world that turns a killer  
into a hero  
well I blame this world for making  
a good man bad

Now I ain't getting into heaven if the devil has his way  
I swear I'm gonna live forever  
heading back to Santa F  
got debts to pay in Santa F  
it's judgement day in Santa F
