After the smoke clears  
And it's down to you and I  
When the sun appears  
And there's nothing left but goodbyes

Well just turn and walk away  
How could we let it end like this  
Just turn and walk away  
Should we seal it with a kiss?

It's too late  
Now you're out and on the run  
It's too late  
Held up in love without a gun

Silent night  
We hold up our candle light  
Silent night  
The night our love died

No words to say  
Now we're both too tired to fight  
Just hold me close  
And don't let go

It was all so simple when  
You were to be queen and I'd be your king  
I guess the dream got lost  
'Cause baby you're still you and I'm still me

Now let it go  
It's always the hardest part to fight  
When we've both know  
We're just two more victims of the night

It's too late  
Too late to wonder why  
Much too late  
To save a love that's died

Silent night  
We hold up our candle light

Silent night  
The night our love died

No words to say  
Now we're both too tired to fight  
Just hold me close  
And don't let go

Just hold me close  
And don't let me go

After the smoke cleared  
It was down to you and I  
When the sun appeared  
There was nothing left but goodbyes

Silent night  
Silent night  
Silent night
