"Something To Believe In"

Visit "[Something To Believe In](#)" on MotoLyrics.com

I lost all faith in my God, in his religion too
I told the angels they could sing their songs to
someone new
I lost all trust in my friends, I watched my heart turn to
stone
I thought that I was left to walk this wicked world alone

Tonight I'll dust myself off
Tonight I'll suck my gut in
I'll face the night and I'll pretend
I got something to believe in

And I had lost touch with reason
I watched life criticize the truth
I've been waiting for a miracle
I know you have too

Though I know I won't win
I'll take this one on the chin
We'll raise a toast and I'll pretend
I got something to believe in

And I don't believe in Jesus, how can I believe The
Pope?
If I don't believe in heroin, how can I believe in dope?
If there's nothing but survival, how can I believe in sin?
The world that gives you nothing, I need something to
believe in
Something to believe in, something to believe in

I don't believe in Jesus, how can I believe The Pope?
If I don't believe in heroin, how can I believe in dope?
If there's nothing but survival, how can I believe in sin?
The world that gives you nothing, I need something to
believe in
Something to believe in, to believe in

Even John F. Kennedy, to Robert Kennedy
For Martin Luther King, for all those who believe
Say, "Hey, hey, hey, hey"
Hey, hey, hey, hey
Hey, hey, hey, hey

Hey, hey, hey, hey
