I should have seen it coming when roses died
Should have seen the end of summer in your eyes
I should have listened when you said good night
You really meant good bye
Baby, aint it funny, how you never ever learn to fall
Youre really on your knees, when you think you're
standing tall
But only fools are know-it-alls and I played that fool for
you

I cried and I cried
There were nights that died for you baby
I tried and I tried to deny that your love drove me
crazy, baby

If the love that I got for you is gone
If the river I cried aint that long
Then Im wrong, yeah Im wrong, this aint a love song

Baby, I thought you and me would stand the test of
time
Like we got away with the perfect crime but
We were just a legend in my mind
I guess that I was blind
Remember those nights dancing at the masquerade
The clowns wore smiles that wouldn't fade
You and I were the renegades, some things never
change

It made me so mad cause I wanted it bad for us baby
Now it's so sad that whatever we had, aint worth saving
If the love that I got for you is gone
If the river Ive cried aint that long
Then Im wrong, yes Im wrong, this aint a love song

If the pain that Im feeling so strong
Is the reason that Im holding on
Then Im wrong, yeah Im wrong - this aint a love song

I cried and I cried
There were nights that I died for you baby
I tried and I tried to deny that your love drove me crazy

If the love that I got for you is gone
If the river I cried aint that long
Then Im wrong, yeah Im wrong - this aint no love song

If the pain that Im feeling so strong
Is the reason that Im holding on
Then Im wrong, yeah Im wrong - this aint a love song

If the pain that Im feeling so strong
Is the reason that Im holding on
Then Im wrong, yeah Im wrong - this aint a love song
Yes, Im wrong, yeah, Im wrong - this aint a love song
Yes, Im wrong, yeah, Im wrong - this aint a love song
Yes, Im wrong, yeah, Im wrong - this aint a love song
