Should have seen it coming when the roses died
Should have seen the end of summer in your eyes
Should listen when you said good night
You really meant goodbye

Baby ain't it funny how you never ever learn to fall
You're really on your knees think you're standing tall
But only fools are know-it-alls and I've played that fool
for you

I cried and I cried
There were nights that I died for you baby
I tried and I tried to deny love drove me crazy baby

If the love that I've got for you is gone
If the river I've cried ain't that long
Then I'm wrong yeah I'm wrong
This ain't a love song

Baby I thought you and me would stand the test of time
Like we got away with the perfect crime
But we were just a legend in my mind
I guess that I was blind

Remember those nights dancing at the masquerade
The clowns wore smiles that wouldn't fade
You and I were the renegades
And some things never change

It made me so mad 'cause I wanted it bad for us baby
And now it's so sad that whatever we had ain't worth
saving oh oh oh
If the love that I've got for you is gone
If the river I've cried ain't that long
Then I'm wrong yeah I'm wrong
This ain't a love song

If the pain that I'm feeling so strong
It's the reason I'm holding on
Then I'm wrong yeah I'm wrong
This ain't a love song

I cried and I cried
There were nights that I died for you baby
I tried and I tried to deny it that
Your love drove me crazy baby

If the love that I got for you's gone
If the river I cried ain't that long
Then I'm wrong yeah I'm wrong
This ain't a love song

If the pain that I feel is so strong
It's the reason I'm holding on

Then I'm wrong yeah I'm wrong
This ain't a love song(3x)
