Thorn in my side
You're always there
Just to remind me
That I still care

Thorn in my side
You won't let me go
Right there beside me
To let me know

I've been pushed around
Been knocked down
Lost a round or three
Life took a couple of things I loved
When I was too blind to see

But I'll survive
I gave up on luck but I'm still getting by
Yeah I'm going to be alright
You can test my faith
But you can't take my pride
Thorn in my side, thorn in my side, oooooah

Thorn in my side
You just won't quit
Once in a while when I crack a smile
You rub my face in it
Thorn in my side
You won't let me run
God bless the fights
That I've lost and won

But I'll survive
I gave up on luck but I'm still getting by
Yeah I'm going to be alright
You can test my faith
But you can't take my pride
Thorn in my side, thorn in my side, thorn in my side
Thorn in my side, thorn in my side, thorn in my side

I've been pushed around
Been knocked down

Lost a round or three
Life took a couple of things I loved
When I was too blind to see

But Iâ€™ll survive
I gave up on luck but Iâ€™m still getting by
Yeah Iâ€™m going to be alright
You can test my faith
But you can't take my pride
Thorn in my side, thorn in my side, thorn in my side
Thorn in my side, thorn in my side, thorn in my side
Thorn in my side, woah, woohooahh ohhh
Wooah oh oh, woohooah oh ohhhh
