Shot through the heart, and your to blame
darlin you give love a bad name

An angel's smile, is what you sell
you promised me heaven and put me through hell
chains of love, got a hold on me
this is a prison you can't break free
ohh, your a loaded gun
ohh, there's nowhere to run
no one can save me, the damage is done

(chorus)

Shot through the heart, and your to blame
you give love a bad name, bad name
I play my part, and you play your game
you give love a bad name
hey you give love, a bad name

Paint your smile, on your lips
blood red nails on your fingertips
a schoolboy's dream, you act so shy
you're very first kiss was your first kiss good-bye
woah, your a loaded gun
woah, there's nowhere to run
no one can save me the damage is done

(chorus-repeated twice)

You give love, you give love
bad name
you give love, you give love
you give love, bad name
