Hello again, it's you and me  
Kinda always like it used to be  
Sippin' wine, killing time  
Trying to solve life's mysteries

How's your life, it's been awhile?  
God it's good to see you smile  
I see you reaching for your keys  
Looking for a reason not to leave

(Bridge)  
If you don't know if you should stay  
If you don't say what's on your mind  
Baby just breathe  
there's nowhere else tonight we should be

you wanna make a memory?

(Verse)  
I dug up this old photograph  
look at all that hair we had  
it's bitter sweet to hear you laugh  
your phone is ringin I don't wanna ask

(Bridge)  
If you don't know I'll understand  
if you stay hey i've gotta plan

(Chorus)  
You wanna make a memory?  
You wanna steal a piece of time?  
You can sing the melody to me  
And I can write a couple lines

You wanna make a memory

(Bridge)  
If you don't know if you should stay  
If you don't say what's on your mind  
Baby just breathe  
there's nowhere else tonight we should be, we should  
be.

(Chorus)

You wanna make a memory?  
You wanna steal a piece of time?  
You can sing the melody to me  
And I can write a couple lines

You wanna make a memory  
You wanna make a memory  
You wanna make a memory
